Naturoville Ayurveda Center

Why Ayurveda & Naturopathy ?

Passed down through thousands of years of written and oral tradition, the characteristics of Ayurveda can be recognized in ancient Tibetan, Chinese, and Greek Medicine and is often called the “Mother of All Medicine.”

Packages Available for 2 , 7 , 14 , 21 & 28 Nights

Wellness Programs

Naturoville Detoxification

The ancient art of purification, Shudhikaran is a cleansing process for the body and holistic detoxification of the mind and soul. It eliminates waste and re-orientates the bodily energies to a state of balance. For those suffering from chronic ailments, purification through Shudhikaran prepares the patient to be able to effectively receive treatments and medicine.

Spine & Neck Care

Sedentary lifestyles, bad posture, physical injury and ageing have turned Spine, Neck & Back pains into some of the widespread chronic ailments plaguing the world today. Naturoville's customized Neck & Spine Treatments treat the muscles and nerves by releasing repressed tension and re-building the strength of these segments naturally.

Naturoville Diabetes Management

Sedentary lifestyles, bad posture, physical injury and ageing have turned Spine, Neck & Back pains into some of the widespread chronic ailments plaguing the world today. Naturoville's customized Neck & Spine Treatments treat the muscles and nerves by releasing repressed tension and re-building the strength of these segments naturally.
